**Subject:** Permission to Enter Property

Janet,  
Jeannie and I met with Paul McConkey and his property manager , Wally Bartlo at 10:00 A.M. on Thursday, February 28th regarding the abatement action initiated by Complaint # C02-058. During that meeting, Mr. McConkey granted permission for City personnel to enter the property and take photographs to use as evidence for the abatement process. We were also provided with a copy of a 20-day eviction notice that was given to Bill Sesko on February 17, 2002.
